TO COUNTRY MERCHANTS.

I AM now receiving my Fall Stock of *School Books, Paper and School Stationery*, and notwithstanding the great rise in price of many of the articles in my line, I shall continue to sell with few exceptions as low, and on many articles lower than heretofore. My price will be as near the New York figure as possible, and on some goods I will guarantee to sell as low. I can confidently assert that I can and will sell as low as any merchant in the city. My rent is now from $300 to $600 lower than that of any other Stationer, and my arrangements are such that I purchase my goods a little cheaper. It is useless to enumerate the articles of my stock. I have been in the trade in Milwaukee eight years, and know something of the wants of my customers.
My old friends, and new, will find me at 165 East Water St., up stairs, entrance on Michigan street.

THE following, which appeared in the *Wisconsin Banner* in September, we publish to let our readers know the spirit which animates that sheet. We seldom open it, as our time is too precious to waste on such a paper:

"*Attack upon Our Free School System.*—Few of our readers will know, that within the last two or three weeks a stubborn experiment was made to introduce the Protestant Bible in the free school of the 1st Ward. The teacher (Johnson) took, without further ceremony, the liberty to read this sectarian book in teaching hours, against the provisions of the Constitution, and against the regulations of our School Commissioners, and to commence an invocation in the sense of certain sects. Certainly this was disagreeable to the Infidels and the Catholics, and, in general, to all those who differ in opinion, and they protested against this fanatical beginning. All the citizens pay in proportion their taxes to the support of this school, whose object it is to teach their children the most useful skill; to bring them up as good Republicans. This is an object against which no citizen has any objection.

But when our monies, with which our schools are erected and supported, are used to fill up our children with religious books, of a certain religious sect, and to prepare converts to fill their empty churches; when this is done with a violation of the constitution, which prohibits the sectarian instruction in public schools, then it is time that every free citizen protests against it.

This was done, and the School Commissioners, in their last monthly meeting, fulfilled their duty, and discharged the said teacher, Johnson, and nominated Mr. Griffith in his place. The movement seems to have aroused the fanatical Know Nothings, as the names under the communication which appeared in the Free Democrat, the Know Nothing organ in this city, show. Mr. Hadley, School Commissioner, of the 1st Ward, whose particular favorite was Johnson, proved himself, on this occasion, the same as in a former affair by the moving of Knox's shanty. He is, and will be, double-tongued, who wishes to milk every cow, and crawl on both shoulders. Mr. King, although our political opponent, showed himself, in this affair, a man of honor."

When it is understood that Mr. Schöeffler, editor of the Banner, who publishes this tirade —and whose piety, either of the Catholic or Protestant stamp, never gets beyond the limits of office and votes—is a competitor with Mr. Hadley for the nomination of Senator, the object of this attack upon him will be understood. Gen. King must feel flattered by this compliment to him, for his defense of the Constitution against the dangers to which it is exposed from the Protestant Bible. The Bible and Freedom, in the eyes of a Hunker editor, are great enemies of the Constitution! What a glorious country this would be if the Bible could be suppressed and Slavery established, in every part. Hurrah for Democracy, Slavery, and no more Bibles!

W. P. DEWEY is the Democratic candidate for Assembly in the Lancaster District, Grant County.

GEN. JONATHAN WHEELOCK has received the Republican nomination for Assembly in Brown County.

THE News says slaves cannot live north of 36° 30', when the fact is, half of the Slaves in the United States live north of 36° 30'.

We have received no copies of the Janesville Gazette this week.

ROCK RIVER VALLEY UNION R. R.—The annual election for Directors of this Road was held at Janesville on Tuesday last, and resulted in the choice of the following persons:

John Wooster, Boston; J. W. Hickock, Burlington; Wm. Jarvis, Middletown; Chas. Butler, N. Y; W. B. Ogden, Dr. D. Brainard, Henry Smith, Chicago; L. P. Harvey, Rock Co.; D. Lovejoy, Cooktown; J. B. Doe, J. A. Wood, Janesville; Milo Jones, Ft. Atkinson; A. Wing, Jefferson; A. G. Butler, Fond du Lac.

At a subsequent meeting of the Directors, Chas. Butler was elected President, J. B. Doe, Vice President; J. W. Currier, Secretary; J. B. Doe, Treasurer.

The new directors say they shall proceed as fast as they can pay, and no faster—that if $150,000 can be secured in Janesville, and between that City and the State line, they will complete it by July next to Janesville—that arrangments had been made to convert one-half the bonds of the Company into stock, and that negotiations were pending for the conversion of the balance. One million of dollars has been paid out in Wisconsin, and two milions in Illinois. Three million of dollars expended in the R. R. V. U. R. R. with no greater results! A committee has been appointed to take up the necessary stock. We believe the road will be completed in the course of two years.

GRANT CO. NOMINATIONS.—The Republicans of Grant Co. held a convention at Lancaster, on Wednesday last, and nominated the following county ticket:

Sheriff—Lorenzo Preston.
Clerk of Court—John G. Clark.
Cl'k of Board of Sup'rs—W. R Beach.
Reg'r of Deeds—Wm. McGonigal.
Treasurer—Jerome L. Marsh.
Dis't Att'y—Willis H. Chapman.
Surveyor—C. T. Overton.
Coroner—Benj. M. Coats.

C. C. Washburn, Republican candidate for Congress in that District, and Hon. O. Cole addressed the convention

The democracy of that county held a convention at Lancaster, on Friday last, and put in nomination the following ticket:

Sheriff—John M. Barr.
Clerk of Court—Thos. R. Hugill.
Clerk of Board—Jas. Roach.
Register—Geo. H. Cox.
Treasurer—Richard Straw.
Dis't Att'y—Jas. W. Seaton.
Coroner—Timothy F. Barr.

REPUBLICAN NOMINATIONS IN COLUMBIA CO.—The Republicans of Columbia Co. held a Mass Convention at Wyocena on the 7th inst., and made the following nominations:

For Senator—J. Q. Adams, of Fountain Prairie.
For Sheriff—Geo. Robinsin.
For Treasurer—Michael M. Agey.
For Register of Deeds—Wm. Owen.
For Clerk Supervisors — Milo M. Waterhouse.
For Clerk of the Court—J. W. Earle.
For District Attorney—Lyman A. Ellis.
For Surveyor—G. M. Bartholomew.
For Coroner—M. W. Patton.

THE Kenosha Telegraph has a good article on the election of the right stamp of men to the Legislature. It says:—'A question of surpassing interest to the people, will be the election, by the next Legislature, of a U. S. Senator.—There will doubtless be much maneuvering and political diplomacy by aspirants, who are wholly untrustworthy to represent the people of Wisconsin. Indeed, the names of men have already been suggested for this important trust, who have never given in their adhesion to the Republican Platform, or identified themselves with this movement of the people. The present crisis demands the services of men whose principles and politics are openly avowed—men too, whose antecedents justify the belief of an honesty of purpose in avowing their sentiments on the great and absorbing questions of the day."

We don't believe any doubtful or half and half man can be elected U. S. Senator by Republican votes.

MASSACHUSETTS.—The Free Democracy of Massachusetts hold a State Convention, at Springfield, on the 17th inst., to consider the subject of candidates to be supported at the State election.

The *Springfield Republican* regards the nomination of a candidate by the Whigs of the Worcester District, in opposition to Col. Dewitt, as an "unfortunate conclusion." Col. Dewitt is a Free Democrat, tried and found faithful, and yet the Whigs of that District, tho' in a hopeless minority, run a separate candidate. The vote to nominate was 33 for, to 32 against. Pretty close work.

BOLTS HIM SQUARE AS A BRICK.—The Appleton Crescent sports the U. S. flag and cannon, and thus greets the nomination of Macy.

"*For Congress, Third District,* —— ——." One nomination and election secured by bribery and corruption has sufficiently disgraced our Congressional District, and the 'Crescent' will not insult the Democracy of Outagamie County by raising the name of John B. Macy for re-election to Congress. "*If this be treason, make the most of it!*"

It has two strong articles on the Convention and against Macy.

THE Wisconsin inconsiderately says, the Mukwonago Convention did "not *dare* to endorse the National Administration or the Douglas Nebraska bill." They *did* endorse it, tho' in a round about way, under the name of Popular Sovereignty. And the best evidence of the position of the candidate, is the fact, that his chief and warmest friends are the Nebraskaites.

J. A. NOONAN, Esq., postmaster of this city, was a manufactured delegate to the Mukwonago Convention, for one of the country Assembly districts of this county, and represented Pierce, Nebraska and Wells.

WE did not get the Ripon Herald containing the first announcement of Edward Daniels, as independent candidate for Assembly in the Ceresco District, but we now know that he is in the field.

THE News says, "we hope every slaveholder who goes to Kansas will take out at least twenty-five Slaves with him." It thinks they will be made free, and likes to see them taken there instead of running off to Canada. No doubt of it.

THE N. Y. Tribune says the whig primary meetings of that city were not more corrupt and rascally than usual; that about as many whigs as loco focos voted, but the latter voted much oftener, so that, in the aggregate, a decided majority of loco foco votes was cast.

Election Returns.

TOLEDO, Oct. 10. Mott, Independent, majority—1st Ward, 112; 2nd Ward, 201.

TOLEDO, Oct. 10. Mott will have over 300 majority in this city, 95 in Oregon, 50 in Manhattan.

MAUMEE CITY, Oct. 10. In this place Mott has 54 majority.—Thatcher the same.

ASHTABULA, O. Oct. 10. Swan's majority in the township is 140; Blickensderfer, 146; Giddings, 97. Fusion majority over county offices, about 140.

GIRARD, PA., Oct. 10. Hunter, Dem. 62; King, Whig, 31.

Governor.—Bigler, Dem. 23; Pollock, Whig, 72.

ERIE, Oct. 10. Bigler Dem. 72.

MAUMEE CITY, Oct. 10. City and Township 50 majority for Fusion ticket.

CINCINNATI, Oct. 10. Day and Harrison, Know-Nothing candidates, elected for Congress in this county, give from one to three thousand majority.

Clark county 700 for Stanton, for Congress. Galoway reported elected.

Dayton, Columbus and everything overwhelming by Republican.

MICHIGAN CITY, IND. Oct 10. South Bend, Mishwaka, Clay township, give Colfax 308 majority. Two years ago they gave Eddy 76 majority. Colfax gains so far 384. Cool Spring township gives two to one Peoples ticket. New Durham, five to one. Michigan City 560 votes cast—close work.

No further election returns before going to press.—ED. FREE DEM.

Further Particulars of the Arctic Disaster.

HALIFAX, Oct. 11.—No advices of the missing boats of the Arctic.

The brigantine Ann Eliza is sent by Warren & Bro's, under an arrangement with the American Consul, to cruise for six days to the northward of the island. It is generally expected that Mr. White, of the N Y. Telegraph Co. will send the Co's steamer Victoria in search. Rt Rev. Mr. Field has placed the yacht Hawk at the disposal of Mr. Newman, who has fitted her for sea. The owners of the Victoria asked $500 a day for her.

Mr. Balaher and the other officers and crew, saved in the boats, reached shore on the 27th He gives the following account:

On the 27th at noon, Cape Race bearing N W. 65 miles, while running in a very thick fog, we were struck on the starboard bow, about 60 ft abaft the cutwater, by an iron steamer, which made three large holes in the ship, two below the water, one of them about 5 ft. long and ½ ft wide, letting the whole cutwater and stem thro' the Arctic's side. So dense was the fog that she could not be seen a minute before the collision.

The helm was put hard a starboard—the engines were stopped instantly and backed until clear of the other steamer, which occupied some two minutes. The other steamer seemed to be sinking, bow first. Capt. Luce gave orders to clear away the two mates boats, which was done, and Mr. Greenleaf, chief officer of the Arctic, put in charge of the starboard boat.—On lowering the port boat, the Captain exclaimed—"Hoist up that boat! Mr. Balaher!" and beckoned me to him. He told me to go over the bow and see what damage we had sustained. I found the holes, and on informing him of these facts, he gave orders to get up sails and try to get them under and stop the leak, which was promptly done, but to no purpose; so much of the wood and iron projected that the sails could not be brought close to the purpose.

The carpenter was lowered over the side, and pillows and mattrasses passed down to him, but the leak was so far below the water that it co'd not be got at. Every exertion to stop it was unavailing. Capt. Luce then ordered the ship's head to be kept to land, which bore N. W. by W. By this time we had lost sight of the chief officer's boat and the other steamer.

We had not been on our course more than 4 or 5 minutes before we ran over a boat and crew belonging to another vessel, all of whom perished, except one, who caught a rope on the bow.

Capt. Luce then told me to see my boats ready. I found those on the port side completely filled with men, women and children, and no possibility of getting near them. I went to the starboard side and ordered the guard boat lowered. On asking the Captain his intentions, he said "*the ship's fate was his!*" I asked him if he would not allow his son to go, as I intended to take a boat. He said his son would share his fate.

It was soon found that there was no hope of saving the Arctic, and the daughter and son of Mr. E. K. Collins, with several ladies were put on board a boat, in the act of lowering which some of the tackle gave way, and all but one lady, who clung to a sailor, were lost. I sprung into a boat, and was ordered by the Captain to cut the tackle and drop astern. I did so, and at the same time about 20 persons jumped overboard, of whom 17 or 18 were picked up.

FALSE RUMORS.—The Hunkers are representing, in various parts of the District, that Judge Spooner cannot get the full Republican vote and we have had many inquiries addressed us in regard to it. We have not seen nor heard of the first Free Soiler who will not vote for him, and we know many Democrats who voted for Wells two years ago, who will vote for Judge Spooner now. We do not see how it is possible to defeat him, unless the Whigs prove false to him, nor do we see how Wells is going to get a great many more Whig votes than he did two years ago. Then, the Sentinel supported Durand publicly and Wells privately, in preference to Durkee. Now, it openly supports Spooner cordially, and we discredit the rumors that the experiment of '52 is to be repeated. It would not be good policy. And all such rumors are doubtless circulated to help Wells and injure Judge Spooner. The returns of this City will show the truth or falsity of all such reports.

HON. GEO. P. MARSH, Minister to Turkey, during his residence of five years abroad, has changed his views on the tariff, and from being a protectionist has become a free-trader. So says the Vergennes (Vt.) *Independent*. The *Independent* says:

"We do not believe that the question of free trade or protection is a question of moral right or wrong, for in that case it would not be debatable, but that it is and must be always viewed in the light of expediency."

This is giving up the whole question, for if protection cannot be defended on principle, it cannot be defended at all.

THE *N. Y. Tribune* of the 9th inst., has confirmation of its former news of the treaty for the annexation of the Sandwich Islands. It was approved by all the Council except Alexander, heir apparent, and Paki, a high chief.—It was confirmed by the majority, and brought to San Francisco in season to be dispatched from there to Washington, Aug. 1. The Hawaiians were in great fear of fillibusters, and the Legislature has voted $20,000 for military defense.

THE *Manitowoc Herald* does not put up the name of Macy.

THE RUSSIAN WAR.—The N. Y. Tribune states the present aspect of it thus:

"The Russian War has, at last, assumed a phase of profound interest. An allied army, 58,000 strong, has landed in the Crimea, unobstructed, and is marching on Sevastopol; while 14,000 men are on the way from Varna, to swell the invading force to above 70,000. Precisely how strong the Russians are in the Province, we have no means of knowing, but it may well be doubted whether in a pitched battle they can cope with the allies; and as for the siege, the result at Bomersund does not lead us to expect any thing brilliant from the Russians in the way of defending fortifications, nor anything very solid in the fortifications themselves. Nor is our confidence increased by the fact that the supreme command in the Crimea is in the hands of the arrogant and shallow Menchikoff, who has never distinguished himself as a soldier. However we shall see; after having been surprised by the bravery and skill of the Turks the world may how receive a milar surprise from the Russians. At any rate the question must be rapidly decided; the allies must promptly capture Sevastopol or take to their ships again and flee, still more disgracefully than Napier is about to do from the Baltic.

From Spain we have renewed complaints that Mr Soulé is engaged in revolutionary machinations, and is spending money freely for that purpose.

STATE TAXES.—The labors of the State Board of Equalization have been completed but we are unable to give the result to-day. The following is a synopsis of the table prepared by the members of the Board:

There are in the State fifty counties, only twenty-five of which have reported.

The whole number of acres in the State	Assessed	8,613,496
Valuation per acre	Assessed	$3,18
do do	Equalized	$6,01
Valuation of lands	Assessed	$17,819,606
do do	Equalized	$51,803,532
Valuation of lots	Assessed	$2,002,363
do do	Equalized	$6,384,182
Valuation of Personal property	Assessed	$2,796,741
do do	Equalized	$6,098,000
Aggregate valuation	Assessed	$22,618,710
do do	Equalized	$64,285,714
State tax ratio 3, 5 mills		$325,000

It will be seen that they have endeavored to create a ratio of valuation that will give something like a correct idea of the amount of property owned in the State.—*Madison Argus.*

THE PHILANTHROPY OF SLAVE BREEDERS.—The Richmond Examiner says that "by enslaving negroes and importing them to perform the menial offices of society, we confer a blessing upon them; nay, on the whites themselves, by obviating the necessity of enslaving any of their own race who *are* fitted to enjoy municipal liberty."

WE are under obligations to C. SHEPARD, Esq., for the *N. Y. Tribune* of the 9th inst., in advance of the mail.

We learn from it that Mr. Washburn, like a sensible man, declines to run in opposition to Col. Dewitt, declaring himself fully satisfied with his course in Congress.

Appleton Items.

The Gale.—It has been excessively windy all the week; so much so, indeed, that it is anything but agreeable to navigate Lake Winnebago.

A Cold Storm.—Tuesday was a tedious day. The wind blew a perfect hurricane; but as Appleton is nestled away in the bosom of the valley of the Fox, no damage was done. The leaves begin to fall; frosty, foggy mornings are not unfrequent; and everything indicates the near approach of the loveliest of all seasons in the West—the gorgeous Indian Summer.

Exchange Office.—Darling, Wright & Co., Bankers, have opened an exchange and collection office at Menasha.

Court Week.—There are two important criminal cases to occupy the time and attention of the Court; but, as we are without a District Attorney, it is a matter of doubt whether they will be acted upon.

Students at the University.—On Thursday, President Cooke announced the number of students in attendance as 220. Accessions are being made from day to day, and it is but reasonable to anticipate that the present number will be swelled to 250 before the close of the Fall Term.

Mechanics.—There is now a great rush for carpenters and masons in the village of Appleton. Every one wants something done; a score or more insist upon building dwellings this fall; and the consequence is, these trades have more orders than they can fill.

Exporting Wheat.—The Peytona bro't down 1,200 bus. of wheat, last Thursday evening, which will be portaged through here to Kaukauna, and shipped thence to the Suffolk Mills, Boston.—These mills expect to obtain 10,000 bus. from our river and lake towns, in the Fox River valley.

A Hard Time.—The Michigan had a hard time on her last trip up. While in Green Bay, the squall struck her, and soon rendered her unmanageable, in which condition she floated into Sturgeon Bay, where she cast anchor and remained in safety until the heaviest of the gale was over.

The Methodist Church.—This structure is, next to the University, the most stately edifice in Appleton. As it will be impossible to finish it for use this winter, on account of the difficulty of procuring material, the Building Committee have decided to finish the basement as speedily as possible, so that our church-going community may be better accommodated than they are at present.—*Crescent.*

Home-made Brick.—We are happy to be able to assure our readers of the entire success of the experiments commenced last summer, by Mr. Hiram P. Sexton, of the town of Lind in this county, with the clay upon his farm. This clay consists of two varieties, the one producing a firm, compact, red brick, and the other an imitation of the famous Milwaukee brick.—*Waupaca Spirit.*

Holloway's Ointment and Pills, *the only infallible remedies for the cure of Eruptions and Blotches on the Skin.*—John Younglove (aged 26) was a great victim through the follies of youth, to eruptions on the skin, being covered with these unsightly blotches, in fact, he was utterly unfitted by his appearance to enter into society.—This young man, eight weeks back, tried Holloway's Ointment and Pills, and by the joint use of these remedies, his blood was so cooled and purified, that the whole of the blotches disappeared, and he now enjoys excellent health. These medicines will cure any disease of the skin, even of twenty years standing. oct9d1w

OUR Postmaster authorizes the News to say that he is not a Know Nothing. We give this notice the benefit of our circulation.

A heavy rain, last night, has turned the dust, which was whirling about the streets so vigorously, yesterday, into mud, and the atmosphere feels decidedly Novemberish to-day.

The Bride and Bridegroom.

BY GERALD MASSEY.

Sumptuous as Iris, when she swims
With rainbow robe on dainty limbs,
The Bride's rare loveliness o'erbrims!

The gazers drink rich overflows,
Her cheek a livelier damask glows,
And on his arm she leans more close.

A drunken joy reels in his blood,
He wanders an enchanted wood,
He ranges realm of perfect good.

Dear God! that he alone hath grace
To light such splendor in her face,
And win the blessings of embrace!

She wears her maiden modesty
With tearful grace toucht tenderly,
Yet with a ripe Expectancy!

Her virgin veil reveals a form,
Flowering from buds so warm,
It needs must break the Cestus-charm.

Last night, with weddable, white arms,
And thoughts that thronge'd with quaint alarms,
She trembled o'er her mirror'd charms,

Like Eve first-glassing her new life;
And the Maid startled at the Wife,
Heart-pained with a sweet, warm strife.

The unknown sea moans on her shore
Of life; she hears the breakers roar;
But, trusting Him, she'll fear no more;

For, o'er the deep seas there is calm,
Full as the hush of all-heaven's psalm:
The golden goal—the Victor's palm!

And at her heart Love sits and sings,
And broodeth warmth, begetting wings
Shall lift her life to higher things.

The Blessing given, the ring is on;
And at God's Altar radiant run
The currents of two lives in one!

Husht with happiness, every sense
Is crowded at the heart intense;
And silence hath such eloquence!

Down to his feet her meek eyes stoop,
As *there* her love should pour its cup;
But, like a King, he lifts them up.

A man recently married a young lady named Birch. Whereupon some wag perpetrated the following:]

"Strange what he hated most when young,
He deadly loved in riper years;
And 'Birch' which once his boyheart wrung,
Now proves his sweet heart—calms his fears
In 'Birch' he finds his earthly bliss,
Nor hesitates the rod to kiss."

The following is considered by the old and experienced farmers as a pretty sure remedy for the "potato rot;'

Select a suitable piece of ground; plow to the full depth of the good soil, and, as the old farmers say, "turn up a little *yallar* dirt, or subsoil; manure as highly as possible—it doesn't matter much with what, so that it is rich and enough of it—and when you have done all that —*plant with Indian corn!*

The Prospects of the Canvass.—On a visit just made into Walworth County, we every where found the greatest satisfaction expressed at the Republican, Congressional Nomination.

The fusion of the Whigs, Free Democrats, and Anti-Nebraska Democrats, into *Republicans*, is as thorough and complete as it is in this Co., and *that* is as complete as anything can well be; and no one doubts, in the least, that Judge Spooner will be elected. We conversed with several prominent Administration men, and even they could not express any confidence of the election of their candidate.

We learn that many Nebraska Democrats say they will either get up a new candidate, or vote for the Judge.—D.—*Kenosha Telegraph.*

Potatoes.—Between three and four thousand bus. of potatoes are now awaiting shipment in the warehouse at the landing. From our price current, it will be observed they have come down a notch in price. During the week they have brought as high as *fifty five cents* per bus., for shipment South; but the unfavorable reports from St. Louis has receded the price to 35a40c.—*Potosi Rep.*

Mass Conventions seem to be the order of the day among Republicans, instead of caucus conventions. Ours worked well on Wednesday last. Politicians are ashamed to log-roll among the people composing a mass convention, but in a caucus convention mostly composed of men like themselves, they can make out to look each other in the face and say, "if you'll go for my man I'll go for yours." If we are not mistaken the last caucus convention has been held in Grant County.—*Grant Co. Herald.*

Iron Ore.—A getleman conversant with working iron ore, has recently made an examination of the Indian Lands, and has not been able to discover this article in sufficient quantities to warrant him in establishing a furnace. On the farm of Mr. James Sexton, he thought an hundred tons of bog and shot ore might be procured. In several other places small quantities of drift ore were discovered.—*Waupaca Spirit.*

The prospects of Kenosha were never more encouraging than at present.

Our Western Railroad is steadily and surely progressing—the harbor has become a fixed fact—real estate is advancing—population increasing—country trade better than at any point on the Lake Shore except Milwaukee and Chicago—and everbodyy busy, prosperous and happy—except the Doctors and Undertakers. —*Kenosha Telegraph.*

MISS HELEN AUGUSTA CHERRY left the residence of her mother in the 1st Ward of Kenosha, last Monday morning, for the Public School, and has not been heard of since. She was 14 years of age, 5 feet 6 inches high, fair complexion, dark hair and dark hazel eyes. Had on when she left, a sunbonnet, dark calico dress, light colored calico apron, prunelle gaiters and india rubber overshoes. She was always remarkable for her attachment to home and was seldom absent from the family, except during school hours. Any information respecting her will be gratefully received by the afflicted family.

UNFORTUNATE SHIPWRECK.—The new fore-and-aft schooner, John B. Wright, from Cleveland, to Chicago, went ashore Tuesday night last, about seventy miles north of Grand Haven on Lake Michigan. The Wright was a new vessel, built without regard to expense, and just completed for Messrs. Handy, Warner & Co., of Cleveland, and was on her first trip up. Her cargo consists of 325 tons of coal, 1,600 kegs nails, 700 beef tierces, and 100 tons of grindstone. She now lies in seven feet water with the same depth in her hold.

THE Kenosha Telegraph adduces facts to show that in the destruction of Mr. Densmore's barn by lightning recently, in Walworth Co., the lightning passed upward from the ground, and speaks of it as a singular phenomenon.—The discharge of electricity from the earth to the clouds is almost as frequent as from the clouds to the earth, and is usually far more dangerous.

HALE'S ADDRESS.—The N. Y. Tribune says:—'At 2 o'clock last Friday, the great tent was filled as close as men and women could stand, to hear the very sensible address of John P. Hale. We never heard an agricultural address delivered to a more attentive audience."

CURE FOR ALL!

HOLLOWAY'S OINTMENT!

CITIZENS OF THE UNION—

You have done me the honor as with one voice, from one end of the Union to the other, to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and already it has obtained more celebrity than any other Medicine in so short a period. THOMAS HOLLOWAY, 38, corner Ann and Nassau streets, New York.

ASTONISHING CURE OF SORE LEGS, AFTER NINE YEARS STANDING.

Copy of a Letter from Mr. W. J. Langley, of Huntsville, Yadkin Co., North Carolina, U. S., dated Nov. 1, 1853.

☞ READ HIS OWN WORDS. ☜

To Professor HOLLOWAY—

SIR: It is not my wish to become notorious, neither is this letter written for the mere sake of writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was afflicted with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine I had ever heard of, I resigned in despair all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health, to my agreeable surprise and delight, and to the astonishment of my friends. (Signed) W. J. LANGLEY.

AN EXTRAORDINARY CURE OF A BAD BREAST WHEN NEARLY AT THE POINT OF DEATH.

Copy of a Letter from Mr. R. Durant, dated New Orlean Nov. 9, 1853.

To Prof. HOLLOWAY, 38, cor. Ann and Nassau Sts., N. Y.

Dear Sir: It is with heartfelt gratitude I have to inform you, that by the use of your Ointment and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten running wounds, (not of a cancerous nature). I was told that nothing could save her; she was then induced to use your Ointment and Pills, when, in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your medicines from Messrs. Wright & Co., of Chartres street, New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, at that time not knowing your address at New York. (Signed) R. DURANT.

The Pills should be used conjointly with the Ointment, in most of the following cases:

Bad Legs,	Fistulas,	Scalds,
Bad Breasts,	Gout,	Sore Nipples,
Burns,	Glandular Swellings,	Sore Throat,
Bunions,	Lumbago,	Skin diseases,
Chilblains,	Piles,	Scurvy,
Chapped hands,	Rheumatism,	Sore heads,
Contracted and Stiff Joints,	Salt Rheum,	Ulcers,
		Wounds.

*** Sold at the establishment of Prof. HOLLOWAY, at **No. 80 Maiden Lane**, New York City; also by all respectable Druggists and Dealers in Medicines thro'out the United States, in Pots, at 37½ cents, 87 cents and $1.50 cents each. To be had wholesale of the principal Drug Houses in the Union.

There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.
